DECEMBER 17, 2021

Assalamu 'alaikum (peace be upon you) dear family and friends of Islamic Society of Santa Barbara. We are pleased to bring you this week's updates regarding our community.

HIGHLIGHTS OF WEEK

Alhamdulillah we had a very successful turnout at our first community picnic of 2021 at Stow Grove Park on December 12th.

After a long lockdown and social distancing, everyone in the community really enjoyed coming together and spending time together between the long-time residents and the newcomers.

The sound of children's

gleeful laughter with the sight of pink cotton candies and the excitement over candy loots from the

star-shaped pinata added to the sweetness of the gathering.

The Zaman family graciously hosted the main menu in celebration of their newlyweds - Homaira and Famim, who were married during the lockdown earlier in 2021.

Many of the community members also graciously extended their hospitality by

contributing to the potluck.

We thank Allah for this opportunity and blessing first. Then we thank all those who contributed with their duas, time, effort, resources and came to the get-together.

And as we approach the new year, inshAllah, we'll have many more opportunities to gather and enjoy the bounties from Allah.
